Selfie for safe walkers

Everyone got involved in walk to school

IT might not be as common as it once was, but last week a group of children in Berowra walked to school to promote exercise and family connections.

Hornsby state Liberal MP Matt Kean and Hornsby councillor Nathan Tilbury joined students from Berowra Public School and Berowra Christian School on Friday for annual Walk Safely to School Day.

Around 30 students took part in the walk to school through Berowra Heights including Berowra Public School principal Di Bower and Berowra Christian School principal Steven Dodd.

“This day is about promoting exercise, family fun and pedestrian safety,” Mr Kean said.

The national initiative, which has been supported by the NSW Government since 2001, is designed to promote road safety, health and public transport.
