

## NEW KIT FOR THE SPIDERS

### First New Kit in 15 Years

**Hornsby Kuring-gai Basketball Association's** senior teams will have a *new look kits* to compete in the upcoming basketball season. The men's and women's senior basketball teams were presented with their new home and alternate playing kits by Association president **Shahrad Shafaghi** and **Matt Kean MP**.

Mr Kean said he was proud to support the two Hornsby Spiders teams with a \$3000 NSW

Government sport grant saying, "I'm told that our senior women's team has already started playing in the new uniforms and only missed out on the competition final by two points."

***"Hopefully our women's team can go one step further next season and reach the Championship final."***

**Spiders Basketball Association** general manager, **Vicki Dean**, thanked Matt Kean for the funding saying, "The Association has used the same design of uniform from representative juniors to representative seniors for over 15 years!"

"Coaches reckon that securing uniforms for the elite men and women's teams would inspire our juniors to set their ambitions to be part of the program."
