## CANTEEN SERVES UP NEW LOOK

FOOD tastes better when it comes from a new canteen — just ask the students of Galston Public School.

The Arcadia Rd school had its canteen overhauled and upgraded after it was granted \$10,000.

The funding was helped along by an Education Department grant, the State Government's Community Building Partnership grant as well as Galston and District Community Bank Branch of Bendigo Bank, Rotary Club of Galston and

Castle Hill's Harvey Norman. Galston Public principal Rob Jarvis said: "Our canteen and uniform shop here at Galston Public School, which is located in one of the original school buildings, was well overdue for an upgrade.

"Our P&C had been planning to undertake this for a few years and had been focusing fundraising efforts on this project. Our students and parents are benefiting from vastly improved and modernised facilities and equipment."
